TEACHER OF MATHEMATICS

Required from 01/09/2022

Contract: Full time/permanent - Salary: MPS/UPR

Queen Mary's High School is an outstanding, oversubscribed selective girls' grammar school; we are co-educational in our sixth form provision. Mathematics is an incredibly popular and successful subject at GCSE and A Level. Our students are highly academic, aspirational and an absolute joy to teach.

We are seeking a well-qualified, articulate and enthusiastic individual to teach Mathematics to GCSE and Advanced Level. This is a fantastic opportunity for a well-qualified teacher to work with some of the highest calibre students in the country. Our students are polite, confident, aspirational and eager to learn. Mathematics is exceptionally popular, and students come to their lessons with high expectations and a desire for active and complex learning.

Closing date: Wednesday 5th January 2022 at 4 pm

Interviews: w/c 10th January 2022

The school is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. The successful candidate will be subject to necessary pre-employment checks, including enhanced DBS, qualifications, medical fitness, ID and right to work.
